FREQUENTLY ASKED QUESTIONS:

If I enroll and there is a problem, who do I call?

Your gas utility remains responsible for all billing, line and maintenance issues regardless of who you select for your natural gas supplier.

Who is eligible to enroll in our Program?

Anyone in good account standing with the Michigan Consolidated Gas Company or Consumers utility companies.

Is there a change to my monthly billing routine?

No. Your current gas utility bill will be sent to you just as it is now. Integritys will be listed as the gas supplier with our discounted program price shown on your regular bill.

Are there any Integritys fees to switch?

There are no Integritys fees to enroll in this 12-month choice program.

Can I cancel my contract if I am unhappy with my service?

Yes. At any time during your enrollment you may elect to return to the utility or choose a different supplier.

If I enroll will I save money?

Our Program has beaten the utility's monthly price for more than 30 consecutive months, historically saving Michigan residents up to 16% off their annual natural gas costs over that time. However, savings are not guaranteed.
