

ATTN: HUMAN RESOURCES MANAGERS & STAFF

YOU DON'T NEED US TO REMIND YOU
OPEN ENROLLMENT IS ON THE HORIZON...

As your local air ambulance service, Valley Med Flight, we do want to remind you to include AirMedCare Network Emergent Membership brochures in your employee benefits packets and to share our membership information throughout your workforce.

Providing this valuable information doesn't cost your company anything. However, it could save your employees from paying thousands of dollars out-of-pocket if they're flown by us in a medical emergency.

We also want to remind you that as a member of the Dickinson Chamber Alliance, your employees can enroll with our lowest listed rates!
